

Pool Director – Renbrook School Summer Adventure

Renbrook School Summer Adventure is seeking an experienced **Pool Director** to lead our summer swim program from **June 9 – August 1**. This is a fantastic opportunity for a qualified aquatics professional to oversee a dynamic program in a **fun, outdoor summer camp environment**.

Position Overview

The Pool Director will be responsible for directing and supervising all aspects of our **swim program**, which serves campers **ages 3-14**. This includes oversight of **three outdoor pools**, leading a team of **25 swim instructors and lifeguards**, ensuring safety protocols are met, and providing high-quality swim instruction in a **positive and engaging setting**.

Key Responsibilities:

- Oversee daily operations of the swim program and outdoor pool facilities for **500+ campers/week**.
- Supervise, train, and support a staff of **25 swim instructors and lifeguards**.
- Develop and implement swim lesson plans tailored to different skill levels.
- Ensure all **safety protocols** and **lifeguarding procedures** are followed.
- Communicate with camp leadership and families regarding swim progress and safety measures.
- Alongside the camp's maintenance professionals, help maintain pool cleanliness, organization, and compliance with state and camp regulations.

Qualifications:

- Must be **at least 20 years old**.
- Current **Lifeguard Certification** (including CPR/First Aid).
- Minimum **3 years of swim instruction experience**.
- Previous supervisory experience preferred.
- Strong leadership and communication skills.
- Passion for working with children in an **outdoor summer camp setting**.

Why Join Us?

- **Very competitive salary** based on experience.

- Work in a **beautiful outdoor camp environment**.
- Be part of a **fun, energetic, and dedicated summer camp team**.
- Tuition discount for enrolled staff children.

If you're ready to make a **meaningful impact this summer, apply today!** Visit [Renbrook School Summer Adventure Staff Page](#) to submit your application.
